

WEEE DIRECTIVE

From the 1st July 2007, the UK's Waste Electrical and Electronic Equipment (WEEE) Regulations require that all producers of electrical equipment are obliged to pay for the recycling of household electrical goods.

As a member of the Valpak Distributor Take-back scheme, Robert Price Builders' Merchants Ltd. have made a financial contribution towards the development of WEEE collection points throughout the UK.

As a member of the scheme, Robert Price Builders' Merchants are not required to take back WEEE.

If you have electrical or electronic equipment that you wish to recycle, details of your nearest collection point are available from: www.recycle-more.co.uk.

For further information, please ask a member of staff or e-mail info@robert-price.co.uk
